ANNUAL REPORT

CARMEL FRIENDSHIP

2017 HIGHLIGHTS

ADDED A 3RD SERVICE

8:15 AM | 9:45 A | 11:45 A

Though we added a second service in 2016, by the beginning of 2017 we quickly realized that we needed a third service. This has allowed us to serve more people.

MORE SPACE FOR OUR YOUTH

We acquired an additional building specifically with our children and youth in mind. We were able to invest $50,000 into a worship space for our children thanks to your generosity.

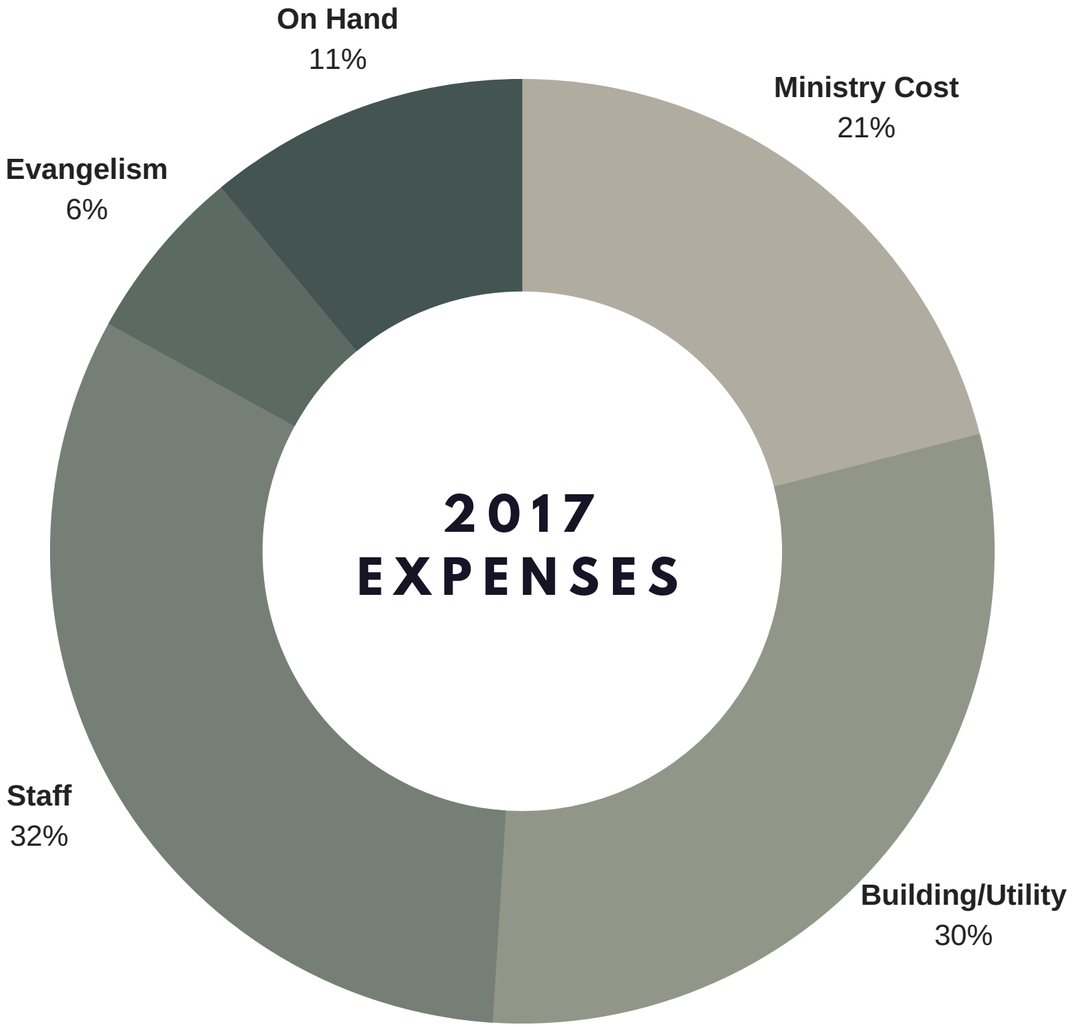
We are always looking for ways to do ministry better. There is an ever growing need to show the love of God and meet the needs in our church and community.



THE VISION

11 CHAIRS TO 11 ACRES

VISION FUND ACCOUNT: $83, 090

It has become increasingly obvious that one of our biggest challenges is space. In 2016 the Lord allowed us to purchase 11 acres of land in one of the fastest growing communities. Even though we obtained the building next door and added a third service in 2017 space continues to be an issue. In order to have the God-sized impact we desire it will take aGod-sized vision. This floor plan is just phase one.
